Safety

Safety is our #1 priority at Camp K’ton! Texas summers can be extremely hot and we will be taking every precaution to ensure that your camper is safe and cared for during water play activities.

There will always be ample amount of supervision on the playground and near the water.

Our staff is trained in CPR and First-Aid.

Water bottles will travel with the children when they go outdoors.

Each classroom has an emergency backpack which contains items necessary in case of an emergency. It travels with the teachers when they leave the classroom.

As in all school zones, the use of cell phones is prohibited.
Sick Child Policy

Children who have a temperature of 100.0 or higher or have 1 episode of vomiting or 2 episodes of diarrhea will be sent home and cannot return the next day.

Children must be 24 hours fever, vomiting or diarrhea free **without symptom reducing medication** before returning to school. Children who are sent home from camp may not return the following day.

If your child continues to have symptoms (severe coughing, sore throat, infectious runny nose, body aches, chills and or fatigue) after the 24 hour fever free waiting period, they must remain home until all symptoms are gone.

Children diagnosed with contagious illnesses such as pink eye (conjunctivitis), chicken pox, strep throat, Fifth’s Disease, or any undiagnosed rash, sore, etc. will be allowed back into camp once a pediatrician has confirmed in writing that the child is no longer contagious. A child diagnosed with strep throat may return to camp after effective antibiotic treatment for 24 hours as well as being fever free 24 hours without fever reducing medication.
Communication

Each week you will receive the schoolwide newsletter, The Buzz. This will give you a brief look at what the campers have been doing during camp that week, upcoming events and any other pertinent information that you may need.

Teachers will communicate your camper’s experiences through picture postings outside their classrooms, e-mails and Kaymbu documentation.

You can download the Kaymbu for Parents app or view online at www.kaymbu.com.
